From the International Marseille-Provence Airport

Every 20mn from 5h10 to 10h10 & from 18h10 to 00h10 and every 15mn from 10h25 to 17h55 there is a departure of a shuttle bus from "Marseille-Provence Airport" to Marseille train station (city center) "Gare Saint-Charles". It takes usually 30/45 minutes and costs about 9 € to reach the railway station (map). The "Vieux-Port" and most central hotels are located within 20 mn walking distance or 10 mn by subway from St-Charles. The shuttle bus tickets can be purchased on-line.

At the airport you will also find many taxis and car rental companies to bring you to Marseille center.

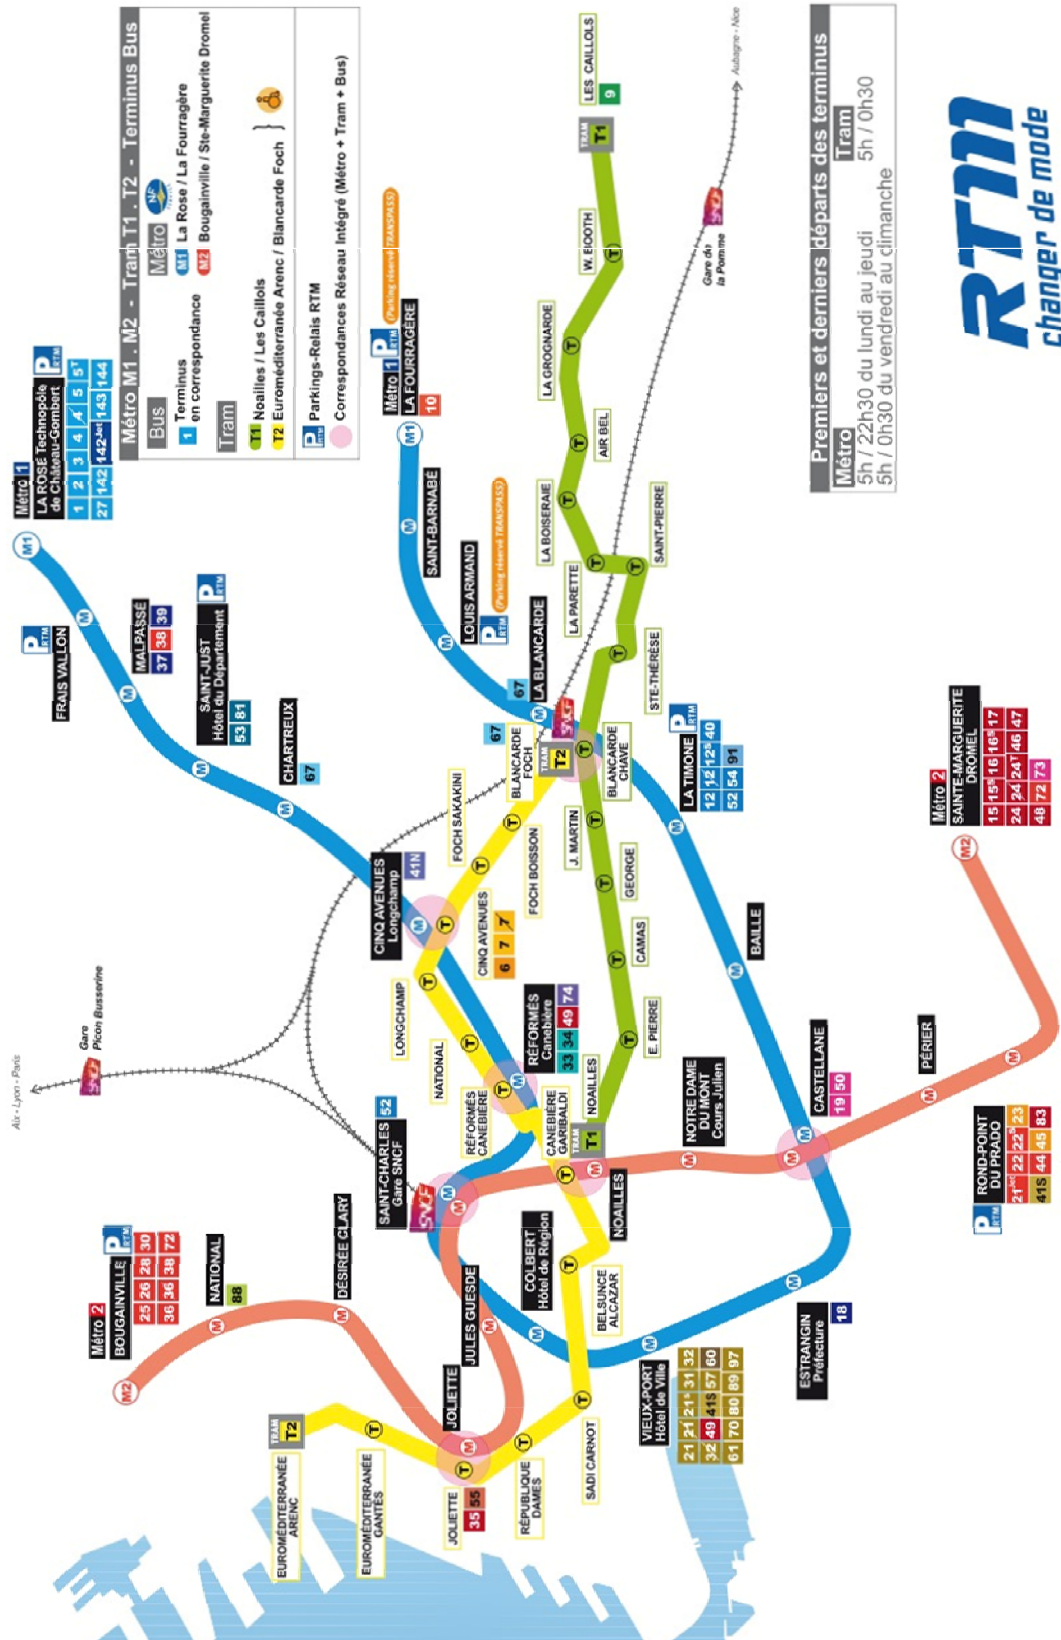

From the city center

You can use buses, tramways and subways (recommended) from the public transport company called "RTM". From the company website you can download several maps for subways and tramways. If you stay several days in Marseille, the best is probably to buy a ten travels card ("Carte 10 Voyages") at a subway station (electronic payment by credit card).
